Scope of this Privacy Statement

This Privacy Statement applies to your use of this Site only. We do not own, operate or control the web sites of our Franchisees or sales associates. Accordingly, this Statement does not apply to a Franchisee's or sales associate's web site or to a Franchisee's or sales associate's collection, use, storage and disclosure of your Personal Information.

1. Collection and Use of Your Personal Information

We collect your Personal Information on the Site in order to enhance the services we offer you. We collect Personal Information from you only when you voluntarily submit it in order to obtain certain services or information, including (A) registrations for special communications, such as saving a search for you and, but only if you request it, sending you new listings that fit the profile of your saved search; (B) requests to find a property, to list your property, and to find a sales associate; (C) requests to contact us; (D) requests to receive periodic industry updates; (E) requests to email a listing to a friend; (F) applications for employment; and (G) inquiries about franchising opportunities.

Requests to Find or List a Property and to Find a Sales Associate

If you submit a request through this Site to find or list a property or to find a sales associate, you will be asked to provide Personal Information and we refer this information to Franchisees or sales associates to respond to your request. For example, if you ask that we list your property or if you ask to see more listings in a given area, you will be directed to a Franchisee in that area.

Contacting Us

If you contact us, we collect Personal Information, which is retained or referred to an independent Franchisee or sales associate depending on the nature of your inquiry. If you are looking for a property or a sales associate, it is referred to a Franchisee or sales associate; if your inquiry or complaint requires a response from us, it is referred to the appropriate department for research and a response. The information we collect is not used in any other way and is not retained after one year.

Refer a Listing to a Friend

If you choose to send a listing to a friend, you will be asked to provide the friend's name and email address in order to personalize the email and to send the email. We do not store this information, and the information is used only to send the one-time referral email.

If you are seeking employment, you will be asked to provide Personal Information about yourself. We refer this information to Franchisees in the geographic area in which you live.

2. Collection of Non-Personal Information

Even if you do not send us any Personal Information, we collect information about how you use our site ("Non-Personal Information"). This information cannot be used to identify you personally and is explained in more detail below under "Non-Personal Information".

Cookies

A cookie is a small data file, often including an anonymous unique identifier, that is sent from a web site's computer and stored on your computer's hard drive. Use of cookies is common on the Internet. A web site can send its own cookie to your browser if your browser's preferences allow it, but (to protect your privacy) your browser permits a web site to access only the cookies it has already sent to you, not the cookies sent to you by other sites. You can configure your browser to accept all cookies, reject all cookies, or notify you when a cookie is sent. (Each browser is different, so check the "Help" menu of your browser to learn how to change your cookie preferences.) You can reset your browser to refuse all cookies or indicate when a cookie is being sent. But if you refuse cookies, some parts of the Site will not function properly and may not provide services or information you have requested. For example, without cookies, we will not be able to provide you with searches that you have asked us to save.

Non-Personal Information

Like many sites, we obtain Non-Personal Information such as IP (internet protocol) addresses, browser types, the name of your ISP (internet service provider), information about where a user comes from before arriving at our Site, what pages a user visits, the order of those pages, and the amount of time spent on each. A vendor performs this service for us by sending a cookie to gather this information, compile it, and report to us. We use Non-Personal Information to customize the advertising and content you see, improve our services, conduct research, and provide anonymous aggregated reporting for internal audits and third-parties.

Advertising Networks

We send to your web browser some of the advertisements you see when you use our network of web sites. However, we also allow other companies, called third-party ad servers or ad networks, to serve advertisements within our web pages. Because your web browser must request these advertising banners from the ad network web site, these companies can send their own cookies to your cookie file, just as if you had requested a web page from the web site. Please note that if an advertiser asks us to show an advertisement to a certain audience (for example, men ages 18-34) or audience segment (for example, men ages 18-24 who have viewed sports content) and you respond to that ad, the advertiser or ad-server may conclude that you fit the description of the audience they are trying to reach. As always, remember we authorize our third-party ad servers to employ

anonymous cookies only for ad delivery and anonymous targeting. Our third-party ad servers do not collect, nor do we give them access, to any Personal Information about you.

Opting Out of Third-Party Ad Servers

If you want to prevent a third-party ad server from sending and reading cookies on your computer, currently you must visit each ad network's web site individually and opt out [if they offer capability to opt out](#).

3. Use of Information

We use the Personal Information and the Non-Personal Information we collect on the Site (A) to provide you with the services that you ask to receive through the Site, including saving searches and, if you request it, sending you updates about those searches; (B) to receive, if you choose, to receive periodic industry updates; (C) to answer your questions or complaints; (D) to refer you to Franchisees and sales associates about finding or listing a property or to locate a sale associate; (E) to refer a listing to a friend; and (F) inquiries about franchising opportunities. and (G) for analytical purposes to help us improve the Site and for our business generally.

A. Third party vendors we engage to provide services on our behalf, such as hosting, web-site development, and support, have access to Personal Information, but they have agreed not to disclose the Personal Information or to use it for any purpose other than providing the requested services.

B. There may arise special circumstances where it is necessary for us to disclose and use Personal Information and Non-Personal Information, such as: to enforce this Privacy Statement or any other part of our [Terms & Conditions](#) to protect our property or rights; to protect the safety of anyone; to investigate, prevent, or take action regarding illegal or improper activities; to carry out a merger or consolidation with another entity, a sale or transfer of some or all of our assets, or any similar transaction; or for other reasons we determine in good faith are necessary, appropriate, or required by law, such as when we respond to subpoenas, court orders, or other legal or administrative process.

The Site contains links to third-party web sites, including a mortgage company, our Franchisees, our advertisers, or banner advertising. If you hold your mouse over a link, it will indicate whether clicking the link will send you off our Site. When you click on those links, you will go to a third-party site where you will be subject to that site's privacy statement and we encourage you to read that policy statement.
